TIE DRIVE

The Connecticut Fatherhood Initiative is seeking generous donations of new or gently used men's ties to support the **2019 Young Adult Prevention Fair** to be hosted on October 28, 2019 at Gateway Community College. This event is intended to encourage African American and Latino high school boys to pursue a college education, explore careers, and seek leadership development opportunities. As part of their participation, each of the young men will walk away with at least one tie and instruction on how to tie them. Donations will be accepted beginning on Wednesday, September 11th through Wednesday, October 16th

Will you donate a tie?
